2026 California Contractor's License Law and Reference Book

An essential resource for becoming and staying a licensed contractor in California. Produced with the California Contractors State License Board, it covers licensing requirements, renewals, complaints, business practices, construction standards, and safety regulations, and includes the full text of State License Board Rules and Regulations. Quick-find tabs, a detailed index, and clear organization make it an efficient, reliable reference in a convenient softcover format. (9798341727823) \$96.95

Safety and Blueprint Reading

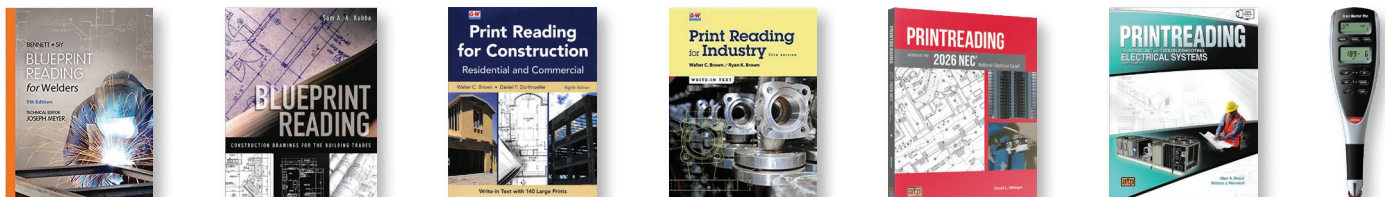

2022 Cal/OSHA Pocket Guide for the Construction Industry

This pocket-sized guide delivers concise summaries of the most essential safety regulations from Title 8 of the California Code of Regulations (T8 CCR). Alphabetically organized and clearly linked for quick reference, it covers Construction Safety Orders, Electrical, Tunnel, Compressed Air, and General Industry Safety Orders—plus a helpful List of Acronyms. Perfect for workers, supervisors, employers, and safety personnel on the job site. Not a legal substitute for T8 CCR, but an indispensable companion for everyday safety.

Current Construction
Costs with Sierra West

2026 National Construction Estimator

(9781572184084) \$117.50

This resource provides current, national prices for residential, commercial, and industrial construction, including installed costs for hard-to-find building materials. It covers labor, material, and equipment costs plus man-hours and recommended crew sizes. Also included are cost calculation charts, clear descriptions of what each job estimate entails, and equipment rates. A must-have for accurate budgeting and estimating.

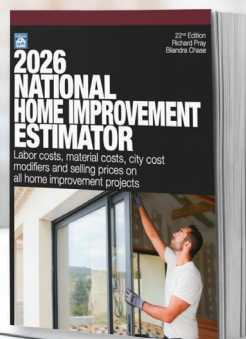

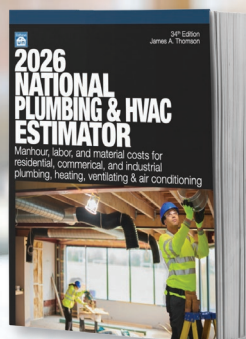

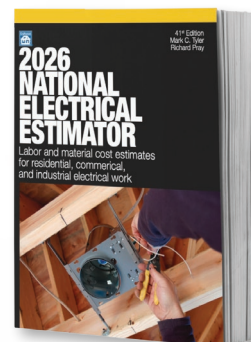

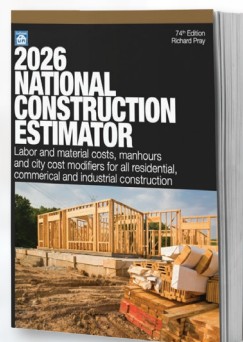

2026 National Electrical Estimator

(9781572184091) \$117.75

This resource provides current prices for all common electrical work—conduit, wire, boxes, fixtures, switches, outlets, panel boards, and more. It includes material costs, man-hours per unit, and total installed cost, with clear explanations for estimating each part of an electrical system. A must-have for contractors and estimators who need accurate, up-to-date data.

NEW 2026

orders over \$50

2026 National Plumbing & HVAC

(9781572184121) \$118.25

This resource provides man hour, labor, and material costs for plumbing and HVAC work in residential, commercial, and industrial buildings. It includes estimating forms, change order guidance, and tips for managing submittals and subcontractors. It also covers costs for specialized equipment like ASME "H" or "U" stamped boilers, emission sensing systems, rooftop DX air conditioning units, heat recovery ventilators, and LEED-certified systems.

2026 National Home Improvement

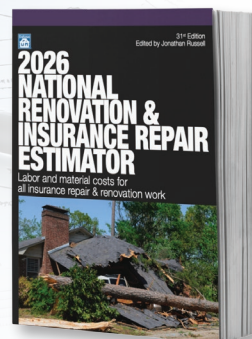

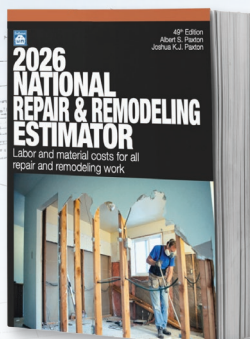

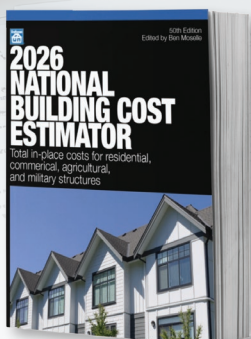

(9781572184107) \$118.75

This resource provides current labor and material prices for home improvement projects, ideal for contractors bidding on specialized jobs. It includes costs for demolition, framing, and repairs, along with man hours, crew sizes, and labor costs for removal and installation. It also offers assembly prices for quick estimates, updates on restorative drying and smart home systems, and expert tips for efficient project execution.

2026 National Building Cost Estimator

This resource delivers square-foot cost data for over 80 building types—residential, commercial, industrial, institutional, and more. It factors in materials, design features, wall height, number of floors, class of construction, shape, and support requirements. Includes regional cost adjustment factors and easy-to-use software to generate detailed in-place cost estimates you can view, print, or email.

Estimating with RSMMeans Data

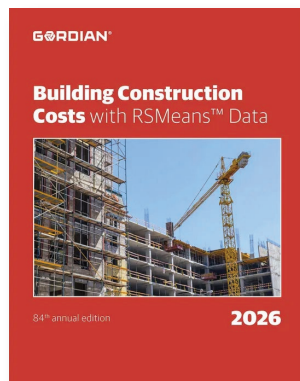

NEW 2026

Get accurate and reliable construction estimates with RSMMeans cost data. These unit price books provide essential labor, material, and building cost information to help owners, estimators, architects, and engineers make informed pre-construction decisions. The latest cost trends, including city cost indexes (CCI), productivity rates, and contractor overhead, are tracked for comprehensive, up-to-date cost data.

Estimating and Math*

2026 Current Construction Costs - Open Shop & Union Constr.

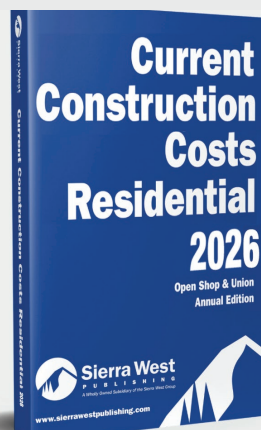

The Current Open Shop & Union Construction Costs Manual is a key resource for architects, engineers, estimators, and contractors across the U.S. It includes about 13,000 commercial construction items organized by the CSI 16 division system, with detailed cost information on material costs, installation costs, man-hours, and total costs. Recognized in the California State Register

for school construction, it also features the Sierra West Construction Cost Index, Wage Rate Recap, Major Cities Cost Relationship Index, a Seismic Zone Map, and more, making it an essential tool for accurate cost estimation.

(9781937984625) \$249.99

2026 Current Construction Costs - Residential

The Current Residential Construction Costs Manual is an essential reference for architects, estimators, and contractors working on residential and small commercial projects. It covers approximately 10,000 items organized by the CSI 16 division system, providing detailed cost data including material costs, open shop and total costs, and man-hours. The

manual also includes the Sierra West Construction Cost Index, Wage Rate Recap, Major Cities Cost Relationship Index (including Canada), and other helpful resources for precise residential cost estimation.

(9781937984656) \$149.00

2026 Current Construction Costs - Remodeling/Repair

The Current Remodeling Repair Construction Costs Manual is a comprehensive resource for architects, engineers, estimators, and contractors, focusing on both commercial and residential remodeling and repair projects. It includes 13,000 items organized by the CSI 16 division system, with installation costs categorized by degrees of difficulty. It also features the Sierra West

Construction Cost Index, Wage Rate Recap, Major Cities Cost Relationship Index, and industry abbreviations. Each item provides material, union installation, and total costs for each difficulty level.

(9781937984632) \$249.99

2026 Current Construction Costs - MasterFormat Edition

The Current MasterFormat Construction Cost Manual is an essential resource for architects, engineers, estimators, and contractors. It covers 13,000 commercial construction items organized by the CSI 16 division system, with material, open shop and union installation, and total costs, and man-hours for each item. It also includes the Sierra West Construction Cost Index,

Wage Rate Recap, Major Cities Cost Relationship Index, Seismic Zone Map, and industry abbreviations, making it a key tool for accurate cost estimation in both public & private projects.

Forms and Contracts
California's Forms and Contracts
 AIA's Contract Paper Documents

Understanding & Using Today's Construction Contract Documents

Provides contractors, remodelers, and builders with a complete collection of sample forms and contracts, paired with clear explanations and filled-in examples for proper use. Updated to meet California legal requirements, it covers bids, contracts,

subcontracts, liens, waivers, notices, change orders, invoices, safety logs, and specialty forms- making it an essential reference for managing projects and ensuring compliance.

(9781889892986) \$39.95

California Construction Forms and Contracts V5 DOWNLOAD (Includes Manual with Clear Explanations and Filled-in Examples)

A digital download that provides a complete collection of California-specific legal forms in downloadable PDF and RTF formats for contractors, subcontractors, owners, and construction professionals. It includes contracts, bid proposals, mechanic's liens, waivers, and more. Includes

a manual with clear explanations and filled-in examples to help users properly complete forms, customize documents, maintain compliance, and protect payment rights.

(FORMS-D) \$199.95

California's Forms & Contracts

Singles: \$1.99 - \$2.99 **25 Pack:** \$29.95 - \$44.95

10 Pack: \$16.95-\$24.95 **Downloads:** \$34.95

201 - Bid Proposal (Dupl.) - Identifies work to be done, bid amount, payment terms and acceptance.

202 - Prime/Direct Building Contract (Quadr.) - Agreement between the general contractor and owner.

202-RR - Residential Construction Contract (Trip.) - Contract between the contractor and owner for new residential construction only.

203 - Home Improvement Contract (Trip.) - Agreement between the contractor and homeowner or tenant for repairing, remodeling and/or adding.

203A - Notice of Cancellation (7 Days) (Single) - Gives the owner the right to cancel a transaction within seven days of the transaction.

California Construction Forms and Contracts on CD-ROM V5 ((Includes Manual with Clear Explanations and Filled-in Examples)

A complete collection of California-specific legal forms for contractors, subcontractors, owners, and construction professionals. It includes contracts, change orders, lien forms, notices, waivers, bid documents, and more. Look for the red **DOWNLOAD** sticker on our website. This marker indicates which Builder's Book forms and contracts are available in a convenient downloadable format. Perfect for those who need quick, reliable access to ready-to-use legal forms without waiting for shipping.

What you get:

Immediate download in two formats:

- PDF (requires Adobe Reader)
- RTF (requires Microsoft Word)

Important Details:

- Download Delivery
- Downloads forms are final sale
- Formatted for legal-size paper

203E - Asbestos, Lead, Mold & Other Hazardous Materials Disclosure and Addendum (Dupl.) - Required to be used when performing remodeling work in conjunction with a Home Improvement Contract.

203H - Service and Repair Contract (Trip.) - Agreement between contractor and home owner or tenant for service or repair costing no more than \$750.00.

203SW - Swimming Pool Construction Contract (Trip.) - Agreement between contractor and home owner. (209SC form required with this contract.)

203SC - Swimming Pool Construction Contract Specifications (Trip.) - Identifies specific pool work to be performed. (Required by 203SW Contract)

204 - Subcontractor's Agreement (Quadr.) - Prime contractor and subcontractor or the subcontractor and owner agreement. (favors subcontractor)

204C - Additional Description / Addendum (Trip.) - Typically used to provide more space for the Description of Work.

205 - California Mechanic's Lien (Trip.) - When recorded, this form places a lien on property for nonpayment.

206 - Contract Change Order (Dupl.) - Used when work is added, deleted or altered from original contract.

207 - Conditional Waiver & Release Upon Progress Payment (Dupl.) - Releases lien upon being paid the amount shown through the date on the form.

207A - Unconditional Waiver & Release Upon Progress Payment (Dupl.) - Releases lien rights through a particular period of time.

208 - Conditional Waiver & Release Upon Final Payment (Dupl.) - Similar to form 207, but deals with "final" payment rather than "progress" payment.

208A - Unconditional Waiver & Release Upon Final Payment (Dupl.) - Used to permanently give up the rights to lien.

209A - California Preliminary Notice for Private Works (Quadr.) - Protects lien rights in event of nonpayment.

209B - California Preliminary Notice for Public Works (Quadr.) - Protects lien rights in the event of nonpayment.

210 - California Mechanic's Lien Release (Dupl.) - Releases lien after claimant has been paid in full.

211 - Stop Notice (Trip.) - Legal notice to with-hold funds.

212 - Notice of Non-Responsibility (Trip.) - For work performed on leased/rented property. Protects property owner from liens resulting from default.

213 - Notice of Completion (Dupl.) - Establishes that all work has been completed to satisfaction.

214 - Notice To Owner Regarding Mechanic's Lien Law (Dupl.) - Informs contractee of contractor's right to place a lien in the event of nonpayment.

215 - Extra Work Order (Trip.) - Identifies additional work necessary to complete the terms of original project.

216 - Contractor's Job Invoice (Trip.) - Summary of job costs for final payment.

217 - Notice of Right to Cancel (Dupl.) - Informs client of their right to cancel or rescind within 3/5 days and sets conditions.

218 - Proposal and Contract (Trip.) - Once accepted by client, becomes a binding contract without a separate document.

219 - Waiver of Right To Cancel (Trip.) - Waives your right to cancel in 3/5 days. Required before emergency repairs.

222 - Contractor's Estimate Detail (Trip.) - Identifies work, unit price, material cost and labor cost.

223 - Daily Work Report (Single) - Summary of work activities

225 - Notice of Cessation (Dupl.) - States that work has stopped for a continuous period of 30 days.

226 - Builder's/Contractor's Warranty (Single) - Several significant statements about builder's/contractor's warranty.

227 - Release of Stop Notice or Notice to Withhold (Public) (Dupl.) - Release of Stop Notice on Public Works once payment is achieved.

228 - Release of Stop Notice or Notice to Withhold (Private) (Dupl.) - Similar to form 227, but deals with Private Works instead.

229 - Builder's/Contractor's Declaration to Procure Payment (Dupl.) - An orderly statement to the homeowner as to what has been performed and what therefore is due.

230 - Construction Subcontract (Quadr.) - Contract between a general contractor and subcontractor or owner/builder.

231 - Landscape Estimate (Dupl.) - A clear statement of est. materials and labor for time-and-materials contracts; should not be used w/ fixed-price agreements to avoid disputes.

232 - Labor Release (Dupl.) - A lien waiver confirms that listed payments have been received and prevents a mechanics lien from being filed for those amounts.

233 - Waiver of Lien (Single) - States that the listed payments have been made and the undersigned waive all rights a lien.

234 - Notice To Owner Regarding Residential Remodeling (Dupl.) - This form is required by the State for remodeling projects performed under a home improvement contract.

235 - Safety Meeting Log Report (Dupl.) - Complies with OSHA illness prevention program.

236 - Memorandum (Dupl.) - Emphasizes the importance of putting agreements in writing to prevent future regret and is designed for ease of use.

237 - Request For Preliminary Notice Information (Dupl.) - Identifies the owner/lender and provides property description.

238 - Confirmation of Oral Bid (Dupl.) - Documents probable cost of improvements to avoid disputes; may also be used by subcontractors to confirm oral bids given to contractors.

239 - Confirmation of Oral Bid (Materials & Equipment Only) (Dupl.) - This form secures subcontractors to their bids for a set period, ensuring prices are honored when needed, and is enforceable under California law.

241 - Notice to Resume Performance (Trip.) - Establishes the date a contractor or subcontractor is instructed to resume work, providing documentation if further action is needed.

242 - Notice of Demand to Correct Work (Trip.) - This notice warns that the work is unacceptable and demands immediate correction, usable by either a contractor toward a subcontractor or a homeowner toward a contractor.

243 - 48-Hour Notice to Commence Performance (Trip.) - Warn subcontractors to speed up their work, as delays from unkept promises can cause significant damage.

244 - Letter of Transmittal (Dupl.) - This transmittal form creates a clear paper trail of job communications, preventing disputes over whether information was received.

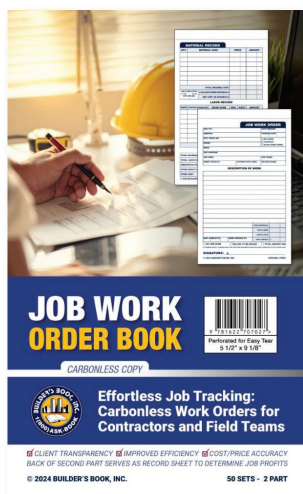

245 - Project Scheduling Form (Single) - Tracks monthly projects and organizes them across all major CSI divisions.

246 - Indemnity and Hold Harmless Agreement (Dupl.) - The undersigned shall protect, hold free, defend, and indemnify indemnitee, its directors officers, agent and employees.

247 - Notice of Extension of Credit (Dupl.) - Extends the time period in which you can foreclose on a mechanic's lien claim.

248 - Three-part Job Invoice (Trip.) - These three-part service and repair invoice forms provide space for job details, materials, labor, costs, and tax calculations.
