 Publications**
 IAEI's and ATP's
 Publications
 Cengage's / Ugly's /
 GW's Publications

Authoritative guides by Frederic P. Stallcup covering NEC code interpretation, commercial and residential wiring practices, and exam prep. Essential for electricians, instructors, and inspectors requiring detailed, code-based instructions and references.

Illustrated NEC Changes

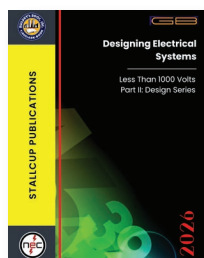

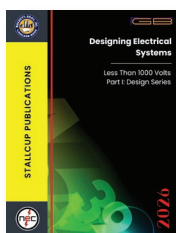

This resource simplifies the complexities of the 2026 National Electrical Code by breaking down hundreds of Code revisions with clear explanations and vivid, full-color illustrations. It covers critical topics like wiring, equipment, and special conditions.

- **2026** (9798880800001) \$69.95
- **2023** (9781622703371) \$69.95
- **2020** (9781622702596) \$67.50

Designing Electrical Systems Part 1

Combines NEC rules, design tips, examples, and calculations to simplify electrical system design and installation. It also includes quizzes and exams.

- **2026** (9798880800247) \$92.95
- **2023** (9781622703524) \$80.95
- **2020** (9781622702824) \$80.95

Designing Electrical Systems Part 2

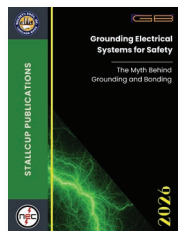

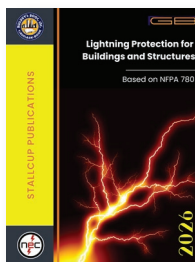

Blends NEC rules, design tips, examples, & calculations with illustrations to support proper electrical system design and code compliance. Includes quizzes and exams, perfect for professionals & students.

- **2026** (9798880800254) \$92.95
- **2023** (9781622703531) \$125.95
- **2020** (9781622702831) \$125.95

Lightning Protection for Buildings & Structures

This guide outlines the design of lightning protection systems, including air terminals, conductors, and grounding to safely direct strikes. It also emphasizes bonding metal objects to prevent dangerous side-flashes.

- **2026** (9798880800308) \$39.95
- **2023** (9781622706136) \$34.95

Grounding Electrical Syst. for Safety

Covers grounding and bonding practices to protect people, property, and systems from surges, with NEC-based requirements, calculations, and methods for safe, code-compliant installations.

- **2026** (9798880800261) \$64.95
- **2023** (9781622706143) \$59.95

Test Taking Made Easy

- **2020** (9781622702961) \$29.95
